

# Heavy-Duty Silicone Spray

## PRODUCT DESCRIPTION:

JAX Heavy-Duty Silicone Spray is a premium quality aerosol silicone lubricant with a higher percentage of high quality silicone fluid than most competitors' product! JAX has developed a formula that is long-lasting and results-driven. Heavy-Duty Silicone Spray reduces friction, particularly between unlike surfaces or materials, and is especially effective for applications requiring dry and friction-free lubrication.

## PRODUCT BENEFITS:

Important benefits of Heavy-Duty Silicone Spray include:

- Quick drying time
- Long-lasting lubrication
- Dry lubrication - will not attract dust, fibers, etc.

Additional uses include:

- Hinges
- Levers
- Sliding mechanisms
- Fork lift tines when unloading slip sheets
- Zippers
- Snaps
- Bagging operations
- Wrapping and packaging machinery
- Protectant for leather, vinyl and rubber
